Brandon: I can sing pretty much anything, Christian, Pop, R and B, Rock. Anything pretty much.

Brandon: I like math... cause I want to be a math teacher when I grow up. Either a math or a music teacher and I plan to either got to Appalachian or Julliard School of the Arts in Queens.

Diane: What's it like being in foster care?

Brandon: It's really not that fun until you get into a home that you really like, so... sometimes it's emotional. Sometimes it's hard and sometimes it's really fun.
